

# PRESTWICK COMMONS Newsletter

## Reminders:

- **Have Complaints?**  
Refer to website and file through "Contact" link.

\*Trustees will do everything within their rights to resolve each issue in a timely manner.

- **Back to School Reminders:**  
\*\*Refrain from parking on the street to assist bus drivers and keep our children safe from blind spots!  
\*\*Remind children to be courteous at bus stops

- **Summer Heat Tips:**  
\*\*Keep yourself and your street trees hydrated. If you're thirsty, so are your trees (and grass)!

**\*Reminder:**  
Garbage cans are not allowed in public view longer than 24 hours before or after trash pick-up (in garage or behind house/foliage)

- **Garden Club – the Association is looking for volunteers to plant flowers around the neighborhood, contact a Trustee if interested.**

## Neighborhood Update

After one of the coldest winters on record, we are now experiencing one of the hottest, driest summers in recent memory. The unbearable heat has played a role in keeping a lot of us in our nice, air conditioned homes this summer instead of enjoying each other's company. It also took its toll on the new entrance as we had to nurse several plants back from the brink; however, through close monitoring, we were able to revive them and our new entrance now looks better than ever.

The entrance project was a long time in the making and we are proud that it has finally been completed – it looks tremendously refreshing and clean. The new sign was chosen with careful consideration of future ideas including possible lighting additions, as well as easier upkeep with engraved limestone instead of other material options. It turned out awesome! The new foliage will continue to grow every day and will look better each year going forward. As this growth occurs, the architectural design that was used in planting will begin to develop and will make the Prestwick Commons entrance unique in comparison to our neighboring communities.

We hope that you have enjoyed this process as much as we have enjoyed developing it and bringing it to all residents. Below are pictures of the completed area.

**The Prestwick Commons Newsletter is GOING GREEN!**

In order to save money and resources, the Prestwick Commons Homeowner's Association has decided to go paperless with upcoming newsletter issues. We still want to provide newsletters to keep homeowners informed, but would like to do so in a more efficient manner. If you would like to continue to receive the Prestwick Commons Newsletter, please send your e-mail address to [pcenl@yahoo.com](mailto:pcenl@yahoo.com). For those residents who have already provided their e-mail address, there is no need to provide it again. Thank you for your cooperation!

**Letters to the Editor:**

Future Newsletters will include a Letter to the Editor section. Please send your comments to [PCENL@yahoo.com](mailto:PCENL@yahoo.com). Select comments will be posted.

Over the past few months, the association has been a part of several events including what has become the annual Easter Egg Hunt, the inaugural Spring Cleanup, and of course, the Annual Homeowner's Meeting. All events were very well received and will be continued in the future. Further, there are events that are being coordinated at this time that will be posted soon (i.e. Halloween Event, Fall Cleanup, others). Below are some photos from the Easter Egg Hunt.

Reminder: Prestwick Commons trash color = NAVY
